situation for his background use in talking with this individual. The results of the conversation will be passed on to the Agency. Arrangements are being made with FE Division for such a briefing.

[] advises that [] is available to brief Mr. BeLieu on the Korean situation although they would not wish operational matters discussed.

4. [] Advised [] that [] will be happy to cooperate in the review by CIA of its plant and security procedures. [] requested that he be called on Friday just to be sure he will be there. I have furnished him with the name of [] who will visit with him.

5. [] Met with Herb Roback and Paul Ridgeley of the Military Operations Subcommittee of House Government Operations accompanied by Colonel James Goodwin of Army L&L to discuss the alleged misuse of Government property [] A Mr. Paul Saunier, Jr. in the office of Congressman J. Vaughan Gary (D., Va.) was called into the meeting. (See Memorandum for the Record for full details.)
